

PROGRAM 2024-2025

GREEN SKIES

#0 ONLINE MEETING

In January we organize a short get together with your lab team and the academic coordinator. You meet the other students and can ask questions about your thesis assignment and lab program.

Wed Jan 15; 11:00-11:45

#1 KICK-OFF!

"We will start the kick-off with a welcome by LDE Centre for Sustainability. You will get to know the other students, academic coordinator, general coordinator and case holder(s) of your Lab. After that it's time for some sustainable action! We will train your systems thinking skills through the interactive EnROADS Climate Simulator game. We finish the day with drinks."

Wed Feb 5; 13:00-18:00 + Drinks

#5 PRESSURE COOKER DAY: LEGO

It's time creatively explore your knowledge on the sustainability challenge of your lab in a creative way! In this pressure cooker we will use **LEGO® SERIOUS PLAY®** to explore the whole system, create an envisioned future related to the lab challenge, and identify new directions of innovations. You will share your ideas with the other labs. Questions for the upcoming Round table session will emerge

Wed Apr 2; 11:00-18:00
@Leiden University, The Hague

#6 ROUND TABLE

Halfway through the program, we have an elaborate discussion with the case holders and invited experts. In a round table or panel discussion, you can share your ideas and questions with the case holders, and vice versa.

#10 PREPARE FOR THE FINAL EVENT

All labs come together to prepare for their end events. You will put together your final individual and shared (interdisciplinary) products. You'll also focus on crafting critical questions to fuel meaningful discussions during the end event.

Together with your fellow lab students, you will ensure everything is ready for a spectacular final event!

Wednesday, Jun 11, 9 AM - 17 PM
@Leiden University, The Hague

#11 FINAL EVENT

During the final event you will share the knowledge you have gained with the case holder(s). You will present your individual and interdisciplinary results. There will be room for discussion with the students, case holder(s), academic coordinator, general coordinator and other invited stakeholders.

Wed Jul 2, 15:00 - 17:30
